

Dr Dorothy Armstrong
SPSO Lead Adviser

Advisers Open Seminar

Thursday 1
September 2022

6 PM -
7.30 PM

Are you...

- ✓ registered with the General Medical Council?
- ✓ able to analyse complex and conflicting information?
- ✓ present information in an easy to understand and logical manner?
- ✓ able to demonstrate balanced judgement, empathy and fairness?

Our SPSO adviser roles support us with reviewing our complaints and ensuring decisions are based on contemporary understanding of clinical practice and current evidence of standards. If you are interested in becoming a SPSO adviser, we are inviting experienced clinicians to sign up to our Advisers Open Seminar. Book your place on our sign up form [here](#).
