

SPSO decision report

Case: 201508214, Lothian NHS Board
Sector: health
Subject: nurses / nursing care
Decision: not duly made or withdrawn, no recommendations

Summary

Mrs C complained to us about the care and treatment her husband (Mr A) had received from the board's evening district nursing service. Mrs C contacted us before we completed our investigation to say that she no longer wished to pursue the complaint, as the circumstances had changed. As such, we did not reach a decision on Mrs C's complaint.
